Authority to
change names.

Nov. 22, 1911

Mr. John S. Spear,
Superintendent Navajo Springs Indian School,
Navajo Springs, Colorado.

Sir:

The Office has received your letter of November 9, 1911, requesting that authority be granted you to change the names of the wives and minor children of Indians enrolled, so as to show the surnames of the husband and fathers.

There is enclosed herewith a copy of Office circular letter of December 1, 1912, to Allotting Agents and officials in charge of reservations, which sets out fully the position of the Office in regard to giving enrolled Indians proper names.

So far as possible, where Indians have been allotted, the names under which they have been allotted should be retained and proper notation made in cases of minors and wives to show the proper surname.

In cases of unallotted Indians of the classes mentioned, such changes and corrections should be made as will meet your recommendation-- bearing in mind the position of the Office as outlined in the enclosed circular letter of December 1, 1912.

Respectfully,

(Signed) C. F. Hauke

Second Assistant Commissioner.
